Join our Taste of Denmark Tour where you will taste different Danish specialties – both innovative and traditional.

## Grill your team together

In Denmark more than 500.000 households have a barbeque, and for many people it has become a life style. Now you get the chance to grill your own food in a Danish design kitchen with Grill Masters to guide you. The food can either be fancy dishes or traditional Danish food like whole roasted pork and duck.

## Copenhagen running City Tour

We want to offer unique, inspiring tours through Copenhagen creating a balance between lifestyle, fitness and awareness for our surroundings. Our tours are designed to fit the schedule of business clients but at the same time show a new, different side of Copenhagen. Therefore the tours will be between 6 and 10 in the morning and last between 30 minutes and 2 hours incl. warm up and cool down. Depending on the tour the focus varies from amazing natural attractions within the borders of the capital, sightseeing, architecture or just the running experience.

## Hilton Birthday Party with BDP Demons

This year the theme of Hotel Hilton's birthday party was Angels & Demons, once again it was a fabulous party with great entertainment, delicious food and hundreds of guests in costume. In keeping with tradition the BDP team was dressed in imaginative costumes.
