We still have rooms for the EFORT congress in Copenhagen the 31. May – 05. June 2011. Contact us at bdp@bdp.dk for further details.

TIVOLI CONGRESS CENTER GRAND OPENING

Tivoli Congress Center, the largest conference centre in the central Copenhagen area, opened the 01. October. Its Congress Hall alone accommodates up to 2,500 attendees, in addition to two large auditoria and a variety of large and smaller conference and meeting rooms. All in all, Tivoli Congress Centre's versatility allows it to host any size or type of event ranging in capacity from 10 to 4,000 participants.

DENMARK IS THE BEST COUNTRY FOR ENTREPRENEURS

A survey of 71 nations placed Denmark first in entrepreneurial performance. According to the study on entrepreneurship at George Mason University, USA, Denmark takes the lead ahead USA, when it comes to the opportunities - which looks at everything from the countries' framework conditions, statistical data and the entrepreneurs' own experiences. Denmark is today nothing less than world's best country to start up business in.

DARE SOMETHING NEW – PARKOUR!

The world's largest parkour park is located in Ørestad, Copenhagen. This 25.000 m² big Plug n Play park invites everybody to try their limits. Parkour is a fun way to move, and no previous experience is required. The skillful instructors guide the group through different exercises according to individual skills. Contact BDP if you want to know more.

BDP AT DHL RELAY

Again this year BDP participated the world's largest fun run, the DHL relay. A team of five BDP members run each the required 5 kilometers and enjoyed the traditional barbeque afterwards.

BDP will be present at the following travel fairs:
M & I Forum, Madrid
