BDP Kick Off 2010

This year BDP Kick Off took place the second week-end in January in Budapest.

Besides an inspiring meeting with lots of new ideas and initiatives we also had some wonderful spa treatments – so we are ready for a new and challenging year.

ECO GALA DINNER AT HOTEL CROWN PLAZA

The new and modern Hotel Crowne Plaza is the first hotel in a CO2 neutral building in Denmark. Recently Ebbe Kiær, BDP, was invited for a special Gala Dinner to honour the Danish tennis player Caroline Wozniaki (nr 3rd in the world). The dinner took place in their private banqueting room, with special lightning to create the right ambiance and at last but not least the food was delicious – 4 course ecological dinner.

COPENHAGEN INTERNATIONAL FASHION FAIR

CIFF takes place twice a year in February and August and has become Europe's fashion fair no 1. In February 2010 CIFF will present the fashion for the Autumn/Winter 2010/2011. On the catwalks there are many new and known Danish talents with a preview of their upcoming collections.

And at the three trade fairs, CPH Vision, Gallery and Copenhagen International Fashion Fair, you will find an additional 1,100 exhibitors representing a total of over 2,300 international brands.

Danish fashion is known for its unique angle on design, innovation and aesthetics. This entails a modern approach to femininity and functionality, expressed in fresh silhouettes, a focus on details and incomparable quality. Maybe that's why more than 50,000 people attend Copenhagen Fashion Week twice a year.

BDP will be present at the following travel fairs:
TUR MESSEN, Gothenburg, at Wonderful Copenhagen Stand
MEDEX, Paris, at VisitDenmark Stand
IMEX, Frankfurt, at VisitDenmark Stand
